Kleenhanz® serves as an effective, waterless solution to hand washing. **Kleenhanz®** consists of a fresh scented, pre-moistened, disposable towelette that wipes out germs. Liquid products without towelettes for friction, such as gels and foams, do not effectively remove dirt and germs from your hands.

Some of the many benefits of using **Kleenhanz®** include;

- Antimicrobial, 100% alcohol free and hypoallergenic
- Lightly moistened and fresh scented
- 99.99% effective at eliminating many common harmful germs and bacteria
- Non-flammable, water-based solution
- Does not leave hands feeling dry and cracked
- Longer protection than alcohol-based products
- **Handwashing On-the-Go®**
